

Your go-to guide for equality in schools

Equality: Making It Happen

A guide to help schools ensure everyone is safe, included and learning *Written by CSIE staff and associates*

New from CSIE: a succinct guide to help schools tackle prejudice, reduce bullying and address equality holistically. Created with primary and secondary

schools, this is a user-friendly set of reference cards covering all aspects of equality. It offers simple and practical advice, as well as links to sources of further information and support.

“An absolutely amazing resource that is easy to use and extremely well designed”
SENCo

“This should be part of every teacher’s toolkit”
Assistant Head Teacher

- "seductively practical"
- created with schools for schools
- sponsored by NASUWT
- engages the whole school community
- relevant to primary and secondary schools
- places pupils at the heart of protecting children’s rights
